Shaping the future for our kids

Over 600
children and young
people gave their
lives to Jesus at
Spring Harvest
2025

Spring Harvest is an unforgettable experience, especially for kids and young people! We hear so many stories of incredible moments – the kind that stick with you long after you go home. It's a place where faith comes alive!

But it's more than just great memories – God moves powerfully here. Time and time again, we see children and young people discover a vision and purpose for their lives that shapes their future.

Many look back on Spring Harvest as the place where God first stirred something in their hearts, setting them on a path that lasts a lifetime. **Read Fraser's story...**

NO GREATER LIFE

EMBRACING GOD'S
DESIGN FOR WHOLE-
HEARTED LOVE.

What does it truly mean to love with everything we are?

Jesus said, *"The most important commandment is this: 'Hear, O Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbour as yourself.' There is no commandment greater than these."* Mark 12:29-31

Digging in to the book of Deuteronomy and the Gospel of Mark, we'll think about what it means to love God, love one another and love our world – expressing his love in every part of our lives. We'll seek to embrace God's design for whole-hearted love, discovering how we can be formed by it and exploring the impact we can make as his disciples.

Are you ready to let love shape your life from the inside out?

A warm invitation

for everyone

no matter who you are

Spring Harvest is where the whole church comes together to worship, learn and laugh with each other. It's a beautiful picture of what God designed the Church to be – a melting pot of all peoples no matter their backgrounds, jobs, denomination, age, stage, history, ability, or ethnicity.

Every year we welcome teachers, key workers, church leaders, doctors, nurses, charity workers, musicians, artists, retail workers, police officers, mums, dads, grandparents, children, students, young adults, retirees... you name it, they're probably at Spring Harvest.

We love that the Spring Harvest event attracts people from a broad spectrum of society. Why not come and connect with people just like you... or meet some people from a completely different walk of life.

No matter who you are, you're officially invited to Spring Harvest 2026.

Not just for

Christians –

for seekers too

A place for everyone

Whether you're already following Jesus or just exploring, Spring Harvest is the perfect place to seek answers and find deeper meaning in life. Bring your family, friends, or kids' friends – everyone will have an amazing time!

Already a Christian? Great! Know someone curious about Jesus? We offer Alpha sessions for those wanting to explore faith.

Who will you invite on this journey of discovery?
